

Information Letter No. 2

Dear colleagues! September 5-9, 2022 on the basis of the oldest marine biological scientific institution in Russia – the Federal State Budgetary Institution of Science of the Federal Research Center “**A. O. Kovalevsky Institute of Biology of Southern Seas of RAS**” (Sevastopol) will host

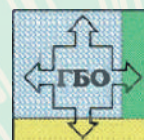

the II International Scientific and Practical Conference «STUDY OF AQUATIC AND TERRESTRIAL ECOSYSTEMS: HISTORY AND MODERNITY»

The scientific programme of the Conference includes the following thematic areas:

- Biodiversity of aquatic and terrestrial ecosystems and its conservation
- Structure, functioning and dynamics of aquatic and terrestrial ecosystems
- Ecological microbiology and algology
- Physiology and Biochemistry of adaptation processes of hydrobionts
- Molecular biology and genetics of hydrobionts
- Problems of aquatic pollution and marine radiochemoecology
- Biological resources, biotechnology and aquaculture
- Sustainable development of coastal zones

The Conference programme will be posted on the conference [website \(conf.ibss-ras.ru\)](http://conf.ibss-ras.ru).

Conference working languages: **Russian and English.**

Within the framework of the conference, it is planned to hold a round table on the topic “Development and use of coastal vulnerability maps from oil and oil products”, where issues related to the construction of such maps, the assessment of the vulnerability of biota, social, economic, recreational and other especially significant objects will be considered.

For young scientists, graduate students and students, a school-seminar “Modern hydrobiology: fundamental foundations and prospects for research” will be organized. Lectures by leading experts on the methodology and organization of operational monitoring of the state of aquatic organisms, as well as workshops on preparing a high-quality graphic presentation of materials and self-presentation, are planned at the school-seminar.

You can apply for participation in the round table and in the school-seminar through your [personal account](#).

Publication of materials

The Organizing Committee asks you to upload abstracts of reports through your [personal account](#) before **June 15**.

Requirements for abstracts are posted on the Conference website in the participant’s personal account. If you have difficulty uploading the abstracts of the Conference, please contact the Organizing Committee of the conference conf@ibss-ras.ru.

The materials of the reports will be published in the collection of abstracts of the Conference, indexed by the RSCI, with the assignment of **ISBN** and **DOI** codes.

The electronic collection of abstracts of the Conference will be posted on the [web page of the Conference](#), in the open access [repository of the FRC IBSS](#), as well as in the national bibliographic database of scientific citation e-library.

Editing of materials is not provided, the Organizing Committee reserves the right to reject them if they do not correspond to the subject of the Conference and the requirements for registration.

The Programme Committee reserves the right to determine the form of presentation of the report (plenary, oral or poster).
